

## Bathroom Services

Invigorating and relaxing in equal measure

The bathroom, is your sanctuary - a serene space in which to soak your body and soothe your soul. The bathroom is the most important room in your home!

We have a dedicated and experienced team of bathroom installers who will be able to handle any request for bathroom fitting and all associated services including: demolition, plumbing services, electrical services - spotlights, sockets, decorating and tiling with marble, granite, limestone and ceramic tiles, complete refurbishment.

You can choose your suite, sink, bath, shower, cabinets and accessories with bathroom fitting expert on site or from our partners to help you redesign and plan your bathroom and give you a 'down to earth' on the spot price.

At O.I.D. - Building Services, we are able to supply and fit all leading bathroom brands
