

## Kitchen Services

Fitted kitchen - has become the area where family and friends congregate before a meal, and a modern streamlined kitchen has become a must in every home.

If you have the kitchen we will fit it. We use experienced carpenters to design and fit your new kitchen. Some of the kitchens we regularly work with include: Magnet; Habitat; Benchmarx; B & Q ... and several others.

We aim to provide a fast turnaround and ensure that the customer is totally satisfied.
